Duties: You will serve as the Liaison Officer in the Tobyhanna Army Depot (TYAD) Liaison Office collocated with the Major Subordinate Command (MSC). Performs integrated logistics support to the life cycle management of a variety of Communications-Electronics (C-E) equipment/systems managed and supported at the MSC. Participates in the planning, coordination, direction, evaluation and implementation of logistical actions in support of the projects/programs between TYAD, MSC, other agencies, Project Managers (PMs), and Project Executive Officers (PEOs). The work requires a broad and comprehensive knowledge of the mission and specific capabilities of Tobyhanna Army Depot.

About the Position: Tobyhanna Army Depot is the largest, full-service electronics maintenance facility in the Department of Defense with a total installation work force of more than 4,400. The depot's mission includes design, manufacture, repair and overhaul of hundreds of electronic systems for all branches of the Armed Forces. They include satellite terminals, radio and radar systems, secure communications, electro-optics, night vision and anti-intrusion devices, airborne surveillance equipment, navigational instruments, electronic warfare, and guidance and control systems for tactical missiles. For over 50 years, Tobyhanna personnel have built a tradition of unparalleled customer satisfaction through the delivery of timely, cost-effective, and high-quality products and services. Located in Northeastern Pennsylvania, near Stroudsburg, Scranton and Wilkes-Barre, the depot is readily accessible to major East Coast cities, interstate highways, railways, international airports, colleges and universities.
